I herein make application for membership in the Manitoba Rocketry Group (MRG), and I agree to respect and adhere to the rules and regulations of the MRG and the Canadian Association of Rocketry (CAR), and I understand that these rules and regulations carry the full force of the law under Canadian Aviation Regulations (excerpt shown below).

**CAR 602.46 "No person shall launch a high power or advanced high power rocket unless that person: (a) has been certified to launch a high power rocket in accordance with the applicable certification standards and procedures as developed, published and maintained by rocketry associations accepted by the minister; and (b) adheres to the launch standards, procedures, safety code and technical recommendations as developed, published and maintained by associations accepted by the minister".**

I, the undersigned, understand that the Manitoba Rocketry Group is not able to assume liability of any kind with regards to my activities or the activities of others. I agree to pursue my rocketry activities in conformance with MRG and CAR By-laws and Safety Codes.
